Steel Ergonomic Lumbar Support Stand 275 Lb. Capacity Black

MODEL ELSS-3048

Ergonomic Solutions / Ergonomic Lumbar Support Stand

PRODUCT OVERVIEW

An ergonomic lumbar support stand is ideal for a variety of work environments. With adjustable increments the unit is adaptable to the precise needs of the user. A cushion back support allows the user to lean back into the model while maintaining comfort and an ergonomic posture. Steel construction design provides strong sturdy support throughout daily use. When the unit is adjusted into its smallest position the stand can be easily transferred between areas or placed in a storage space.

KEY FEATURES

- Sleek powder-coat finish
- Foot plate for secure stability
- Vertical back design for a more upright posture
- Cushioned surface top
